

BRAIN IMPACT SUMMIT

Spotlight on **Parkinson's Disease**

Powered by

NEUROLOGY·ONE

**Brevard
Parkinson's
ALLIANCE**

Discover the latest advancements and insights into Parkinson's disease at our Brain Impact Summit. This event is designed for individuals with Parkinson's, care partners, and anyone eager to learn more about this condition.

Highlights of the Summit:

- Explore the unique aspects of Parkinson's disease
- Learn about exciting new treatments and medications
- Hear about groundbreaking research currently underway

Together, let's advance our understanding and improve the lives of those affected by Parkinson's.
